

HARI BABU

Full Stack Developer

+91 8838481133 haribabusln7777@gmail.com GitHub LinkedIn

Professional Summary

Motivated Computer Science undergraduate with hands-on experience in full stack web development using MERN stack technologies. Skilled in building responsive user interfaces, developing RESTful APIs, and integrating real-time features. Passionate about writing clean, scalable code, learning modern software development practices, and actively strengthening problem-solving skills through Data Structures and Algorithms (DSA).

Technical Skills

Frontend : HTML5, CSS3, Bootstrap, React.js
Backend : Node.js, Express.js
Databases : MongoDB, SQL
Programming Languages : JavaScript, Python, C , C++
Tools & Platforms : Git, GitHub, AWS, VS Code, Render , postman
Concepts : REST APIs, MVC Architecture, Real-Time Systems

Projects

Real-Time Chat Application

<https://mernstack-chatapp-vnr2.onrender.com>

- Developed a real-time chat application supporting instant messaging using Socket.io.
- Designed secure **REST APIs** using Node.js and Express.js.
- Implemented responsive UI with React.js and Tailwind CSS.
- Managed application state using Zustand and deployed on Render.

AI-Based Flower Ordering Website

<https://github.com/haribabu1133>

- Built a responsive flower ordering web application with clean UI and optimized UX.
- Integrated Google Sheets API for order management and customer data storage.
- Implemented automated data processing for order tracking and management.

Education

Bachelor of Engineering – Computer Science Engineering

PMC College, Hosur

2022 – 2026

Higher Secondary Education (MPCB)

Government School, Berigai

2021 – 2022

Certifications

- App Development – NSIC (Government of India)
- Python Programming – NxtWave
- JavaScript Essentials – NxtWave
- Node.js – NxtWave
- Express.js – NxtWave
- SQL & Database Fundamentals – NxtWave
- Developer Foundations – NxtWave

Achievements

- Secured 2nd Place in Zone-Level Throwball Tournament. Served as Team
- Captain, demonstrating leadership and teamwork skills.
